feel supported. We need to go deeper. We need to find solutions rooted in our faith as Catholics who believe that all God's children deserve to feel safe, included, and valued.

As a Catholic teacher, I value the distinct education that Catholic schools provide. We embed the tenets of the Catholic faith into our lessons and we invite students to follow in the footsteps of Jesus Christ. In Romans Chapter 15 Verse 7, it is advised that we, "Welcome one another, therefore, as Christ has welcomed you". Similarly, Father James Martin states that "It is impossible to experience a person's life, or to be compassionate, if you do not listen to the person or if you do not ask questions." We have the capacity to welcome and to have conversations with excluded students and staff, rather than assume what's best for them.

I understand that a Motion was passed on January 30 of this year to Bring Peace to the YCDSB. I also understand the rationale behind the motion and I appreciate that the board recognizes that there is a lack of unity. However, I am concerned that in grouping everyone together in the "We are Diverse We are One in Christ" slogan, we are not truly seeing the diverse beauty among us. In addition, I understand that approximately \$26,000 has been spent on promotional materials such as stickers and banners, but I don't believe that any amount of money spent on promotional items will bring unity to the YCDSB. There is no price tag on conversations and I am sure our excluded students and staff would appreciate a discussion to work together to bring peace to the YCDSB.

As a first step to bring unity and healing to the YCDSB I would like to invite everyone here today especially the Chair of the Board, the Board of Trustees and YCDSB Senior Administration to walk with me and other York Catholic Teachers at the York Pride Parade on Saturday, June 15 at 3:00pm in Newmarket.

I believe that the Board of Trustees and the YCDSB has the capability to live out its Mission and Vision statements by reconnecting with excluded students and staff, just as Jesus Christ has taught us. Connection is the best tool that can bring peace and unity to the YCDSB.

Thank you for giving me the opportunity to speak to you tonight and I welcome any questions you may have.
